105th Annual Texas Pecan Growers Conference & Trade Show

July 12-15, 2026 · Embassy Suites by Hilton San Marcos, Texas

The Texas Pecan Growers Association invites you to join us for our 2026 Conference and Trade Show this July at the Embassy Suites in San Marcos. This packet included information, registration forms, and details. If you would like register online, visit tpga.org/tpga-events/. If you have any questions, please contact our office at 979-846-3285 or pecans@tpga.org.

ROOM RESERVATION DETAILS

TPGA has a **discounted group rate at Embassy Suites by Hilton San Marcos Hotel Conference Center**. Reserve your room with **group code 95V** online or contact the hotel and identify yourself as part of the Texas Pecan Growers group. The rate is \$186 per night plus taxes and fees. The discounted group rate is offered until the room block runs out. The **booking cut date off is June 16, 2026 to lock in the rate**. Our guaranteed block includes Sunday through Wednesday nights. Amenities include an all-suite hotel, full cook to order breakfast, free evening reception and conference events located in same building.

SUNDAY EVENTS

Trade Show Grand Opening & Welcome Reception. Registration starts Sunday morning, with the Trade Show Grand Opening and Welcome Reception that evening. The State Pecan Show and Silent Auction open as well, benefiting Texas Pecan Extension and Research. Enjoy great food, refreshing drinks and plenty of opportunities to connect with fellow attendees.

NEW "Shell-of-a-Time" pecan-cracking competition. Test your skills in this fast-paced pecan-cracking challenge. Be sure to bring your favorite hand cracking device and sign up on Sunday.

Cooking with Pecans Demo with Kate Blankenship. Enjoy a live cooking demo that highlights pecans in a fresh, flavorful way. We'll walk you through a dish that's easy to recreate and unbelievably good. (Hay's County AgriLife Extension-FCH)

Pecan Grafting Techniques Demo. Join us for a live pecan grafting demonstration with Larry Jim Womack of Womack Nursery. This hands-on demonstration will showcase the skill and precision behind successful grafting, one of the most important techniques in establishing and improving pecan orchards.

MONDAY NIGHT EVENTS

NEW Pecan Cluster Family Night! Enjoy a pecan themed family crafting evening on Monday, July 13, as you and your kids create a mini Texas pecan variety board with a family-friendly movie playing throughout. One mini pecan variety board is included per ticket and all supplies are provided.

Casino Night! A conference favorite returns Monday night at the Embassy Suites. The night will feature games, dinner, and a bar. Be sure to reserve your tickets early for this spectacular camaraderie event as space is limited.

Several ticket options will be available for both events, with and without dinner service. Please review each option closely when deciding.

TUESDAY EVENTS

Meet with FSA and NRCS Representatives. Get direct support from FSA and NRCS representatives on USDA programs, loans, disaster assistance, conservation planning, and EQIP. Each meeting is a scheduled 30-minute session. Sign up early to secure your spot.

Branch out with Bats! Join us for this free Tuesday-evening event at Troy Swift's orchard located in Lockhart, TX. Bring a chair and your own refreshments as we gather in a pecan orchard known for its active bat population. On Tuesday, July 14th, get settled to watch the sun set and the sky open for bats in the pecan orchard. Enjoy a nighttime chat about these mammals and their helpful role in the pecan ecosystem. Please sign up in advance so we have an accurate headcount before the event.

WEDNESDAY ORCHARD TOUR

Join us for an orchard tour on Wednesday, July 15, at a fifth-generation family farm with a pecan orchard owned by Mark Friesenhahn. Located in New Braunfels, Texas, Comal Pecan Farm spans 110 picturesque acres of actively growing pecan trees. This is a great opportunity to visit a historic site in the Comal community. **Kyle Slusher with Texas A&M Agrilife Extension will provide an Integrated Pest Management (IPM) demonstration along with talks from many other industry experts.** This will be another TPGA visit to Comal Pecan Farm—come see what's changed. The orchard tour costs \$30 per person, with children attending for free. A lunch will be provided. Optional bus transportation is available for an additional \$30, provided enough tickets are purchased.

SUPPORT THE PAC

The National Pecan Federation's
Political Action Committee

The Texas Pecan Growers Association is a member of the National Pecan Federation and contributes \$30,000 annually to support representation in Washington, D.C. on behalf of Texas pecan growers. A strong advocacy program also relies on a dedicated political action committee (PAC). While TPGA provides year-round representation, PECAN PAC contributions help advance that work. The PECAN PAC can accept contributions from individuals, partnerships, or LLCs, with a limit of \$5,000 per calendar year. TPGA can no longer accept donations on behalf of its members. PECAN PAC has provided a secure link if you wish to contribute to the PECAN PAC. Scan the QR code to learn more or make a contribution. <https://secure.anedot.com/pecan-pac/donate>. If you would like to contribute directly, you can mail contributions to: PECANPAC, 313 Massachusetts Avenue NE, Washington, DC 20002

What does the NPF do?

The NPF advocates for the pecan industry using the services of The Redding Firm. Advocacy takes on various forms and often begins with educating key policymakers about the industry's concerns, and, depending on the issue, might involve partnering with other specialty crop organizations or working with state departments of ag and other industry participants. A well-funded PAC is essential to ensuring the industry's voice is heard in D.C.

What has NPF/PECAN PAC accomplished?

1. Millions to producers for disaster assistance, tariff mitigation, and relief efforts
2. A 70% reduction in the tariff for pecans going into India
3. Research and Promotion authority to assess imported pecans expected to generate \$4,000,000 in additional marketing and research funding.
4. \$5,500,000 funding for cracking and pasteurization research
5. \$5,500,000 funding for pecan breeding research
6. Pecan Crop Insurance reforms
7. USDA pecan purchases for feeding programs
8. Working to get pecans included in senior, school, and other food programs

What are NPF/PECAN PAC's current priorities?

1. Improvements to Federal Pecan Crop Insurance & Tree Loss Insurance
 2. Processing and breeding research continued funding
 3. Positioning the industry to benefit from the Biden Administration's carbon sequestration initiatives

Contributions

FRED R. BRISON SCHOLARSHIP FUND

The \$1,000 Fred Brison scholarship is presented annually by TPGA to a student in the Horticulture Department at Texas A&M University. If you are interested in contributing to our scholarship fund (or the TAMU Pecan Endowment), you may use this registration form to do so.

TEXAS A&M PECAN ENDOWMENT

These contributions support the creation of a pecan endowment at Texas A&M University to support pecan research and the Texas A&M pecan program.

SPONSOR THE TPGA CONFERENCE

Everyone can help make TPGA's Conference & Trade Show successful. If you're interested in sponsoring the conference, please write the amount you wish to contribute on the line to the right or contact nichole@tpga.org for sponsorship opportunities.

SILENT AUCTION

Funds generated from the Silent Auction go to Texas Pecan Extension and Research. Your contribution is for a good cause and can help promote your company or product. If you'd like to donate, please write a description of the item and give an estimated value. Items must be mailed to our office or delivered to the Registration Desk at the Conference before Sunday night's Grand Opening Reception.

Your support delivers real results. For example, TPGA and the Texas Pecan Board are partnering to offer a \$25,000 grant for projects that advance the Texas pecan industry. Priority areas include Pest & Disease Management, Water Use & Drought Tolerance, Soil Health & Fertility, Variety Development & Evaluation, Economics & Market Research, and Environmental & Sustainability Studies.

TPGA MEMBERSHIP 2026-2027

Many TPGA memberships expire on June 30 (you can confirm in the membership area of the website). If yours is expired or about to expire, please take this opportunity to renew. This packet includes a renewal form. By being a Texas Pecan Growers Association member, you are supporting the work that brings Texas pecan growers access to valuable resources and benefits including; research and extension projects and personnel covering pecan genetics, horticulture, pests, and health; promotion of TPGA members in domestic and international markets; advocacy work within the university systems, state government on issues like water for agriculture, and federal government advocacy as a founding and leading member of the National Pecan Federation. For a full list of benefits, visit our website or email us: <https://tpga.org/join-membership/> pecans@tpga.org

Please fill out the attached form.

REGISTRATION TOTAL

1. Registration Fees

2. Membership dues

3. Total amount for special events

4. Total amount for industry contributions
